It is strongly recommended that you retake the ASVAB test. Waivers are granted on a case-by-case basis.

Civilians

If you have not enlisted, then you may retake it several times. If you take the ASVAB and score high enough to enlist, but not high enough to sign up under the SEAL Challenge Contract study hard and plan to retake the ASVAB. Inform your recruiter that you are serious about doing well on the ASVAB, so you will qualify for the SEAL Challenge Contract. Waiver requests are submitted to the Special Warfare Community Manager by your local Navy Recruiter.
